The Cost of Attendance (COA) is an estimate of the cost of attending RVU and maintaining a modest but adequate standard of living. Your individual budget may be higher or lower. Books and supplies cost includes an OMM table and the iClicker; Also included in OMS II is an additional \$2,000 for board prep material. The COA does not include living expenses for a student's spouse or other dependents. Total loan amounts borrowed and scholarships awarded cannot exceed the COA minus any other aid received.

Many MCOM students are able to live on less than the COA by budgeting carefully and reducing their expenses for room & board, personal and transportation costs. Please contact the MCOM Office of Student Financial Services if you have questions regarding the Cost of Attendance.

***The Cost of Attendance varies by year in school and is updated annually.**
